About the Health Information and Quality Authority

The Health Information and Quality Authority (HIQA) is an independent statutory body established to promote safety and quality in the provision of health and social care services for the benefit of the health and welfare of the public.

Reporting to the Minister for Health and engaging with relevant government Ministers and departments, HIQA has responsibility for the following:

- **Setting standards for health and social care services** — Developing person-centred standards and guidance, based on evidence and international best practice, for health and social care services in Ireland.
- **Regulating social care services** — The Chief Inspector of Social Services within HIQA is responsible for registering and inspecting residential services for older people and people with a disability, and children's special care units.
- **Regulating health services** — Regulating medical exposure to ionising radiation.
- **Monitoring services** — Monitoring the safety and quality of permanent international protection accommodation service centres, health services and children's social services against the national standards. Where necessary, HIQA investigates serious concerns about the health and welfare of people who use health services and children's social services.
- **Health technology assessment** — Evaluating the clinical and cost effectiveness of health programmes, policies, medicines, medical equipment, diagnostic and surgical techniques, health promotion and protection activities, and providing advice to enable the best use of resources and the best outcomes for people who use our health service.
- **Health information** — Advising on the efficient and secure collection and sharing of health information, setting standards, evaluating information resources and publishing information on the delivery and performance of Ireland's health and social care services.
- **National Care Experience Programme** — Carrying out national service-user experience surveys across a range of health and social care services, with the Department of Health and the HSE.

Visit www.hiqa.ie for more information.

Mission

To enable the best possible health and social care outcomes for all, through evidence-informed decision-making, standard setting, and regulation

Vision

Health and social care services consistently deliver excellent standards of care and the best possible outcomes for the people of Ireland

Key Areas for Performance

HIQA has identified key behavioural and technical competencies for effective performance through a Competency Framework as seen below. Please refer to the role description for an overview of each competency and the proficiency levels required for this role. For more in-depth information on the competencies. It is important that you review the full competency framework guidance document which is available at: <https://www.hiqa.ie/about-us/careers>.

Principal Conditions of Service

Probation

A probationary period of six months applies to this position.

Pay

Candidates will be appointed on the **minimum point of the salary scale (€86,644)** and in accordance with the Department of Finance guidelines. The rate of remuneration will not be subject to negotiation.

The incremental progression for this scale is in line with Government pay policy. The salary scale for this position is as follows:

Engineer I (PPC)

€86,644 €89,366 €92,094 €94,813 €97,533 €100,768
€104,449¹ €108,135²

1. *After 3 years' satisfactory service at the maximum*
2. *After 6 years' satisfactory service at the maximum*

Entry will be at the first point of the scale. An exception may occur where an appointee has been serving elsewhere in the **public service** in an analogous grade and pay-scale. In this case the appointment may be assimilated to the nearest point of the advertised salary scale with their incremental date adjusted accordingly. Please note the rate of remuneration may be adjusted from time to time in line with Government pay policy.

Superannuation

Pensionable public servants (new joiners) recruited on or after 1 January 2013 will be members of the Single Public Service Pension Scheme. Please note that the Single Public Service Pension Scheme applies to all pensionable first-time entrants to the public service, as well as to former public servants returning to the public service after a break of more than 26 weeks. In certain circumstances, for example, where the public servant was on secondment or approved leave or remains on the same contract of employment, the 26-week rule does not apply. The legislation giving effect to the Scheme is the Public Service Pensions (Single Scheme and Other Provisions) Act 2012.

For those who are not subject to the Single Public Service Pension Scheme (e.g. those transferring from other public service employment where the break in service,

if any, is less than 26 weeks), the terms of the Health Information and Quality Authority Superannuation Scheme will apply.

Annual Leave

Annual leave is 30 days per annum.

Hours of attendance

Hours of attendance will be fixed from time to time but will amount to not less than 35 per week. The appointee may be required to work additional hours from time to time as may be reasonable and necessary for the proper performance of his or her duties subject to the limits set down under working time regulations.

Blended Working Arrangements

HIQA has introduced blended working to offer more flexible working arrangements to all employees. We aim to strike a balance between being flexible, efficient, and resilient by facilitating blended working where practical, while enabling onsite interaction, collaboration, and support as required.

All roles in HIQA have been assessed under the criteria of business needs and role suitability for blended working. This determined the proportion of time that employees will spend working in HIQA offices and working from home, depending on their role.

Depending on the role, there may be a requirement to attend the office for more than the allocated number of days for training and on-boarding purposes at the start of your employment and during the probation period.

A review of our blended working model confirmed that this model is working well in HIQA therefore we are now moving from Interim Blended Working to a long term Blended Working Model. Our existing policy and documentation will be revised and updated once the framework for the Work-Life Balance and Miscellaneous Provisions Act is published. Our model is in line with the Civil Service Framework for Blended Working in Ireland.

Further guidance on HIQA's Blended Working Policy, which includes eligibility criteria will be issued to successful candidates. This is an opt-in policy and details on how you can apply will be issued to you before you start.

Selection Procedure

An information booklet and application form are available at: [Careers with HIQA \(recruitisland.ie\)](https://recruitisland.ie)

How to Apply and Closing Date

The completed application form must be submitted by **5pm on Monday 16th March 2026**.

Only applications completed online through [Careers with HIQA \(recruitisland.ie\)](https://recruitisland.ie) will be accepted. CVs will not be accepted.

Selection Process

The Health Information and Quality Authority will convene a selection panel to carry out the competitive stages of the selection process to the highest standards of best practice.

The approach employed may include:

- A shortlisting of candidates, on the basis of the information contained in their application
- One or more competitive competency-based interview
- Completion of assessments
- Presentation or other exercises
- Any other tests or exercises that may be deemed appropriate.

Please note the role competency overview referred to in the above role description. This will assist you when completing the application form and preparing for the competency based interview.

The number of applications received for a position generally exceeds that required to fill existing and future roles. While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the role are such that it would not be practical to progress all candidates to the next stage of the selection process, HIQA may decide that a smaller number of candidates based on order of merit from shortlisting may be called to the next stage of the process.

HIQA will conduct a shortlisting process to select a group who, based on an examination of the application forms, appear to be the most suitable for the role. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be more qualified and/or have more relevant experience.

The applications will be shortlisted by a selection panel. They will examine each application form against the essential shortlisting criteria (outlined in the role

description above) and the Evidence of Competencies section on the application form.

The onus is on candidates to establish eligibility for the role, therefore it is in each candidate's interest to provide a detailed and accurate account of their qualifications, experience and Evidence of Competencies as requested on the application form.

Competition updates will be issued to the email address as entered on the application form.

The onus is on each candidate to ensure that they are in receipt of all communication. Candidates are advised to check emails on a regular basis throughout the duration of the competition; in addition, being sure to check junk/spam folders should any emails be mistakenly filtered. HIQA accepts no responsibility for communication not accessed or received by a candidate.

Interview Dates

The onus is on all candidates who are shortlisted for interview to ensure they are available for interview on the identified date.

Interview Expenses

The Health Information and Quality Authority will not be responsible for any expense, including travelling expenses that candidates may incur in connection with their application for this post.

Panels

HIQA intends to create **a national panel** for anticipated vacancies that may arise in the following locations: **Cork office, Dublin office or Galway office**. Successful candidates will be selected in accordance with their panel ranking and geographic location as determined by the operational needs of the organisation.

On the application form you may select your location(s) of choice, listed below, where you would be prepared to work if offered an appointment. You should only make a location choice where you would be prepared to work if offered an appointment.

- Cork office**
- Dublin office**
- Galway office**

Changes to your location choice will not be permitted after the closing date. After stage one, candidates may be required to provide further information regarding their location choice.

Vacancies for which you may be considered will extend only to the location(s) selected. Candidates should be aware that vacancies may not arise in all of the above locations while

these panels are active. HIQA has no foresight as to how many vacancies may be filled over the lifetime of the panel, and potentially candidates may not be reached on the order of merit.

If a candidate is offered and accepts a position, they must be available to take up that position within a reasonable time frame.

Once a candidate has accepted a position, they are removed from the panel. Once a candidate has declined a position, they are removed from the panel. Please note that placement on a panel is not a guarantee of appointment to a position.

Citizenship Requirements

Eligible candidates must be:

- a) A citizen of the European Economic Area (EEA). The EEA consists of the Member States of the European Union, Iceland, Liechtenstein and Norway; or
- b) A citizen of the United Kingdom (UK); or
- c) A citizen of Switzerland pursuant to the agreement between the EU and Switzerland on the free movement of persons; or
- d) A non-EEA citizen who has a Stamp 4 permission: or Stamp 5 permission

Please note that a 50 TEU permission, which is a replacement for Stamp 4EUFAM after Brexit, is acceptable as a Stamp 4 equivalent.

To qualify candidates must be eligible by the date of any job offer.

It shall be the responsibility of the candidate to ensure these permissions are in place.

Further information is available from the Department of Enterprise Trade and Employment: <https://dbei.gov.ie/en/What-We-Do/Workplace-and-Skills/Employment-Permits/>

Candidates will be required to provide verification of citizenship eligibility and qualifications in a form acceptable to the Health Information and Quality Authority.

Candidate Obligations

Candidates should note that canvassing will disqualify them and will result in their exclusion from the process.

Candidates must not:

- knowingly or recklessly provide false information;

- canvass any person with or without inducements;
- impersonate a candidate at any stage of the process;
- interfere with or compromise the process in any way.

Where a candidate is found guilty of canvassing or in breach of any of the above, then:

- where they have not been appointed to a post, they will be disqualified as a candidate; or
- where they have been appointed to a post, they shall forfeit that appointment.

Candidates must:

- Have the knowledge and ability to discharge the duties of the post concerned
- Be suitable on the grounds of character
- Be suitable in all other relevant respects for appointment to the post concerned – and, if successful, they will not be appointed to the post unless they:
 - Agree to undertake the duties attached to the post and accept the conditions under which the duties are, or may be required to be, performed
 - Are fully competent and available to undertake, and fully capable of undertaking, the duties attached to the position
 - Be passed medically fit to take up the appointment

Prior to appointing

Prior to recommending any candidate for appointment to this position HIQA will make all such enquires that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment not accept the appointment, or, having accepted it, relinquish it, HIQA may at its discretion, select and recommend another person for appointment on the results of this selection process.

Deeming of Candidature to be Withdrawn

Candidates who do not attend for interview when and where required by the Health Information and Quality Authority, or who do not, when requested, furnish such evidence as the Health Information and Quality Authority require in regard to any matter relevant to their candidature, will have no further claim for consideration.

Confidentiality

Subject to the provisions of the Freedom of Information Acts 2014, all enquiries and applications are treated as strictly confidential and are not disclosed to anyone, outside those directly involved in the process.

Data Protection

Please note that all personal data shall be treated in accordance with the General Data Protection Regulation (GDPR) and Data Protection Acts 1988 - 2018.

For further information on how the Health Information and Quality Authority processes your data, please review the privacy notice on our website:

<https://www.hiqa.ie/reports-and-publications/corporate-publication/hiqa-privacy-notice>

Protected Disclosures

HIQA is committed to maintaining a responsible and ethical culture with the highest standards of honesty, integrity, accountability and compliance in accordance with the Protected Disclosures Act 2014 (as amended) ("the Act").

If you are a HIQA worker, which includes a job applicant under the Act, you can make a protected disclosure about HIQA to HIQA. If you want to know more about making an internal protected disclosure please email internalPD@hiqa.ie for guidance.

The Health Information and Quality Authority is an equal opportunities employer.

HIQA welcomes applications from all suitably qualified candidates regardless of their gender, marital status, family status, religious belief, race, age, sexual orientation, disability or membership of the Traveller community.

If you require any reasonable accommodations to support you throughout the recruitment and selection process please outline this in the appropriate section of the application form and all efforts will be taken to accommodate those requests. All information disclosed will be kept confidential.

Guidelines for Dealing with Appeals/Requests for Review

The Health Information and Quality Authority will consider requests for review in accordance with the provisions of the codes of practice published by the Commission for Public Service Appointments (CPSA). Where a candidate is unhappy with an action or decision in relation to their application they can seek a review under Section 7 of the Code of Practice governing the recruitment process.

Where a candidate believes that an aspect of the process breached the CPSA's Code of Practice, they can seek a review under Section 8 of the Code of Practice.

Codes of practice are published by the CPSA and are available on www.cpsa.ie
